Disclaimer:

All DVD and VHS Presentations are tested for playability on our DVD players,
VHS recorders, Macintosh Computers, and Windows Computers.

A guarantee that the DVD's will work on all DVD players or computer systems cannot
be offered, as **The DVD recording industry** offers no guarantees that DVD's will work on
all DVD players. Usually the only fix is to play the DVD on a newer working DVD Player.

If you do experience problems playing your DVD. Lane Media will consult with you
and attempt (within reason) to find a compatible solution for all of its clients.

"Celebration Of Life"

Memorial Tribute

The DVD/video memorial tributes, become a family keepsake as well as a way to enhance and reflect on the events of ones life. We are very pleased and proud to be able to offer this type of quality service to area families.

Video production equipment, coupled with computer technology can now offer to your family a service that was not possible in the past. Lane Media has invested in video production, printing equipment to enhance aspects of life's events and provide more options to families.

Every Celebration of Life Video Tribute purchased includes a DVD or VHS copy, the DVD is the best way to go . The video is produced on site and is a collection of family photographs and live events displayed with special effects and set to digitally mastered music.

HOW WE WORK WITH YOU TO CREATE YOUR EXTRA SPECIAL VIDEO TRIBUTE

Items below are provided at additional cost.

- We attend and video record functions you want to have recorded, ie: weddings, graduations, anniversary celebrations, birthdays, sporting events.
- You search your photo albums for the photos you want to include and send them to us for scanning, or you scan them into digital format and have the photos put onto a compact disk which you deliver to us. (It is preferable that we do the scanning of the pictures to assure the correct format and picture size for the presentation.) You get a copy of the pictures on a CD to share with other's.
- You write the story, or tell us with a recording and our professional writers will write the story for you.
- We can do the narration, or you can read the written story into a recorder or computer and save it to a compact disk. We have mature male and female voices available to do the narration.
- We can also include any other information you provide to make this the best VHS or DVD record ever.
- We put the pieces together and deliver to you the copies you have ordered.
- You arrange a gathering of friends and family and watch the tears of joy and pride as they are honored with an event that is preserved forever.

Because of our in-house production facility we offer our clients the opportunity to:

- See samples of what others have done with their video tributes.
- Get ideas about what you want to include in your tribute DVD.
- Plan your project and help you to plan how to collect and prepare the information you want to include in the video.

Celebration of Life Videos can be used to enhance other Special Occasions such as Birthdays, Wedding Receptions, 50th Anniversaries, Office Parties, or Business Presentations.
